ATTENTION READERS! FROM THE EDITORS

A letter dated January 4, 1986 was received by us from Peggy & Sam Brubaker, who are involved with the "Squares & Rounds" Magazine. We thought it would be appropriate to print it and put our comments in, concerning this letter. Here is the letter:

Dear Ralph & Lois,

Here are some of the complaints that we have received on the polls that I feel you can control somewhat:

- 1) You people better get your act together. Look at the calendar it is so screwed up!
- 2) Misspellings of local and national callers' or cuers' names.
- 3) Incorrect first names with last names on both local and national callers' or cuers'.
- 4) Information not put in when it is sent on time (especially on time).

Thank you:
Peggy & Sam Brubaker

Now, here are our replies to the four comments in the letter:

1) You know, this reminds me of a one-act play, as it states, "we should get our act together". It's pretty hard to get your act together when you do not know each club, caller and cuer in the Mid-East Penn District. We have yet to this day received from all clubs, which list their club caller and cuer, all the appropriate information to assemble an "unscrewed up" calendar.

When I stated that this reminds me of a one-act play, it is because if I do not receive all the scripts, we cannot complete the play the way it should be done.

So, in order for us to get this together, please send all the information you can to make this a better calendar.

2/3) We can group these two together, as they are somewhat similar. We can only spell names and put names in the proper place by what information is supplied to us. I feel it is time for the suppliers to get their act together, unless they feel we should print it as received, misspellings and mix-ups in all.

4) All items that are to be put in, including advertisements, are put in the magazine, when space provides. Many times, we get a lot of extra articles that we prorate out in the magazine according to space, which as editors, has been left to our discretion.

To finalize this whole thing, we are not trying to be nasty or smart, all we are trying to do is ask for your help, because the magazine can only be as good as the information you supply us with. We are not perfect, as I have never met that kind of person yet, and we will make mistakes from time to time.

Anyone having problems with the magazine, should contact the people in charge on the inside cover. I get a lot of complaints at dances saying, "I have not received my magazine yet!!" I have no control over this, as I am shipped labels from "Squares & Rounds" to mail the magazine. If I do not receive the labels on time, you do not receive your magazine on time.

Thank you and let's all have a better 1986! Help needed!!

Ralph & Lois

**FEDERATION MEETING
REPORT**

Roger Owings reported that everything went well at the Jim Wolf Benefit Van Dance held on November 17, 1985.

The Officer's Ball was held on January 26, at the Marriott Hotel in the Commonwealth Ballroom. The dance was for the various square and round dance club officers and for officers of the districts.

Glenn Matthew, Bob Clark and Steve & Fran Bradt are all scheduled to call/cue at the Wildwood Weekend on April 11-13, 1986.

The federation sponsored bus trip to the 35th National Convention in Indianapolis, is "Sold Out", and if anyone is interested in going, their names will be put on a waiting list. As of this date, there are approximately 13,400 people signed up for this convention.

The 25th D.V.S. & R.D. Convention at the Marriott has already received over 800 registrations. "There will be no walk-in registrations at this convention." Please let your members know this. If you plan on attending, please register soon, so that you will not be disappointed if registrations have been filled.

The Delaware Valley Square and Round Dancers have been asked to

schedule an "After Party" at the 35th National Convention. The Federation has decided that since a caller has consented to get it started, the D.V.S. & R.D. would consent to host the affair.

It was voted, after some discussion, to extend our Letter of Agreement with the Marriott for the years of 1990 and 1991, and the dates of the third weekend in September will be reserved for the Federation's Convention.

The Federation has decided to participate, in a coordinated effort, with each of the three districts to sell a book of tickets entitled "Entertainment 1986". These books will be available soon for \$25.00. The Federation will receive half of the \$5.00 profit, and the district will receive the other half for each book sold. These tickets are used (buy one, get one free) at restaurants, theaters, fast food chains and for other forms of entertainment.

The Advisory Committee selected Mitch & Caren Cytacki, of the Penn-Jersey District, as Chairmen of the 26th D.V.S. & R.D. Convention. Their names were voted upon and received approval by the Board of Directors of the Federation. Our congratulations to them, as we know they will do a fine job.

EDUCATION REPORT

There will be a "Three-Quarters Dance" on March 22, from 8:00 - 10:30 PM, at the Plymouth Meeting Mall, with Martin McLain calling. A "Graduation Dance" will be held on May 4, more

details in later issues.

Dates for the "Free Summer Dances", which are all on Saturdays evenings, are as follows: June 21, July 19 and August 9.

DISTRICT AND FEDERATION NEWS

On March 9, there will be a "District Meeting"; on March 16, the "Dance for the Handicapped"; on March 22, a "Three-Quarter" Class Dance; April 11-13, the "Wildwood Weekend"; on April 27, the "Annual Federation Meeting" and on May 4, the "New Graduates Dance".

The District sponsors "one" charity fund-raising dance each year. We encourage everyone to support the Friends of the Handicapped Dance. If you can't attend, please buy a ticket. Please buy balloon launch tickets and sell them to your friends, neighbors and relatives. Thank you for whatever "you" can do.

Our District is both long and wide. It includes 44 clubs from Washington, NJ to Reading, PA; from the Schuylkill Valley Nature Center to the Poconos. Many clubs can't get a representative to travel such long distances to make meetings, so these clubs often miss flyers, handouts and other information. We need 6 or 8 couples who will be ambassadors from the District and Federation to these clubs. They should visit 5 or 6 clubs, providing communication links and letting the more distant District members know that we care about them and their clubs. If you can spend some time as ambassadors, please call John & Kathy Falter. When we

were ambassadors, we found the opportunity to visit different clubs and dance to different callers and cuers to be both interesting and rewarding.

New dancers keep the clubs, District and Federation alive and provide new enthusiasm, new ideas and new workers. Saturday, March 22, from 8:00 til 10:30 PM, the District sponsors the Three-Quarter class dance. We must make sure that the class has a good time and feels welcome by established dancers, if they are to move from class to active participation in "our" square dance community. Remember what it was like when you were a class member and come out and support the '85-'86 class.

April 11-13, the Federation is sponsoring a weekend by the sea, in Wildwood. Profits from the weekend, support many Federation activities. The Wildwood Weekend is also an answer for dancers who didn't like the time of year or location of the convention. If you support this weekend, it will continue, and Federation dues will be kept low.

April 27, Mid-East Penn, on behalf of the Federation, sponsors the '86 Annual Election of Officers dance, which is free to all Federation members.

PRESIDENT'S MESSAGE

Now that the Holidays are over and it's the beginning of a brand new year, this would be a good time to look back at the Federation's accomplishments of 1985. These accomplishments are: the printing and distribution of the revised "Constitution and By-Laws", the publication of the "Where To Dance Book", a very successful Delaware Valley Square and Round Dance Convention and just recently, a successful benefit dance, "The Jim Wolf Van Fund".

The success of these accomplishments was brought about by all three districts working together as one. The results are amazing.

Now it's time to think about the New Year. As your President, knowing that each one of our district's publications are having financial difficulties, why couldn't

all three districts get together again and run a benefit dance to help "Squares & Rounds", "Fed Fax" and the "Penn-Jersey News"? Think about it.

We hope, and are planning, to visit all three district dances and functions during 1986. We hope that every square and round dancer will take an active part and become involved in the activities of their club, district and the Federation to make 1986 a "Banner Year".

TWO CLUBS MERGE

Mor-L-Squares and Friendly Squares have decided to merge as one club, as of January 1, 1986. The name of this new club will be "Mor-L-Friendly Squares", caller, Bill Morrell.

There will be 2 meetings per month, one on the 2nd Sunday and one on the 4th Saturday. Officers are as follows: President, Russell Cossaboon; Vice President, Else Badrow; Secretary, Hank Murphy and Treasurer, Dora Mueller.

I.R.S. MEMO FROM THE NATIONAL EXECUTIVE COMMITTEE

The Federation received a memo from the National Square Dance Executive Committee regarding tax information and square dance clubs. The memo pointed out some areas concerning club tax problems: 1) A club needs an I.R.S. employer identification number if it has a checking account, savings account or certificate of deposit. Normally, the bank will request this when an account is being opened. 2) If a club does obtain an I.R.S. number, it must also file an application for exemption from income taxes on any of its receipts. 3) In addition, if a club pays any person or organization \$600 or more in a calendar year, the club is required to issue a 1099 tax report to the payee, and send a copy to the I.R.S. along with a 1096 form.

To get an I.R.S. employer number, form SS-4 must be filled out. This is relatively simple, and the Federation Treasurer, Frank Evans, has blank forms.

I.R.S. MEMO FROM THE NATIONAL EXECUTIVE COMMITTEE

(continued from page 7)

For a club to apply for exemption from federal income taxes, the I.R.S. form 1024 must be completed. This form has 7 pages and must be sent to the I.R.S. together with a copy of the club by-laws. Form 1024 may be obtained from your local I.R.S. office.

A club cannot use the I.R.S. number of the Federation.

PATTERNS MADE EASY

For the first time, at the 35th Nat. S/D Convention, dress patterns will be given out in newspaper form (6 pgs), and ready for the sewing room. The newspaper will have patterns on sleeves, bodices and skirts from size 8 to 20; also sewing tips and hints.

Demonstrations at the "Sew and Save Exhibition" will be given by experts from the Purdue University Home Economics Department. Along with tips for making S/D attire, the Purdue demonstrators will provide information on machine embroidery, appliques, seam finishing and the creation of men's "Smiley pockets", which have a slit opening in the shirt that looks like a smile and has no flaps.

The "Sew and Save" area, which will be in operation every day of the convention (June 26-28, 1986), will feature several "Color Me Beautiful" seminars. Original dress designs will be displayed and some will be given away during the convention.

A highlight of the program on Saturday, June 28, will be a demonstration by Lee McCormick of Washington State. She is well known for her square dance patterns and designs and has appeared at many of the national square dance conventions.

There will be halls for Club Dancers, Class Dancers and Advanced Dancers. All of our local callers and cuers will donate their services to this cause, as they've always done in the past. We are extremely grateful to them all.

In addition to our dance, we will have a Balloon Launch immediately afterwards. Prizes will be awarded to the people buying the balloon tickets that travel the greatest distance, and also to the people sending back the cards.

We need your support to surpass our earnings of last year, which was \$2,740.

A SUCCESSFUL "JIM WOLF" BENEFIT DANCE

"Wall to Wall People" might be a way to describe the dancers at the Jim Wolf Benefit Dance, on November 17, 1985, in the St. Matthias Church gymnasium in Bala Cynwyd.

Roger & Marion Owings should be extremely proud and pleased with their efforts and hard work in putting this dance together, and the Federation should consider themselves most fortunate to have had Roger & Marion head up this dance. They did a great job!

The dance was marvelous and extremely well attended. Square and round dancers alike, danced their feet off to all of the excellent callers/cuers who gave their time for this most worthwhile cause.

Most of the Wolf family was present, and Jim and his parents, Bud & Betty, were introduced. Jim offered his thanks to all of those who participated and donated their time and money. Jim is a handsome young man who is teaching and helping others who are less fortunate

than himself. A spinal cord injury may have affected Jim's legs, but certainly not his spirit. He is a delightful young man, and one to be proud of.

Several groups that dance at Village Squares, in Guthersville, had taken up a collection over the past several weeks and Gussie Irons presented the Van Fund with a check for \$135.55. This is so like them to give that little extra and it is very much appreciated.

The Boutique and Tombolla tables had a beautiful assortment of handmade items, as well as other donated items. For the first time that I can remember, I had the good fortune to win one item from each of the tables: a lovely bottle of wine and a beautiful handmade tote bag. I was thrilled, as I'm sure all of the people who won something were. Many, many hours were put into making these items.

I believe our Federation can be very proud of the efforts put forth at this dance. It just goes to show that our dancers certainly do come through when they are needed.

In my opinion, we have so many excellent callers/cuers within our three districts, that this type of format should be considered for other dances, rather than paying a large fee to a national caller.

25TH DEL-VAL SQUARE & ROUND DANCE CONVENTION

Welcome 1986! This is the year of what has become a tradition in the Delaware Valley square dance world, the Annual Square and Round Dance Convention, 1986 is "Special", as it is the 25th Anniversary year. This year is the second time the affair will be held at the Marriott Hotel, City Line Ave., Phila., PA. Those who have been there before, can vouch for this fine hotel. There is convenient parking, three restaurants and excellent rooms. Now is the time to register, if you want to stay in the hotel.

A "Big" Announcement! The program committee has added Art Springer to the

staff. Art will be calling all levels, including Challenge. This is a welcome addition to the staff. Everyone will enjoy Art's calling.

Registrations continue to come in. Remember, there will be a cut-off date and a waiting list. I remember last year at the registration booth, there were many phone calls asking, "Where are we on the waiting list?" Don't be disappointed - "Now" is the time to register.

For registration blanks, contact: Clyde & Mary Ryerson, 330 Essex Ave., Cherry Hill, NJ 08002, (609) 662-1933.

1986: THE 50TH ANNIVERSARY OF WESTERN SQUARE DANCING

It was 1936 when Lloyd "Pappy" Shaw was invited to bring a set of dancers to the famous play festival in Central City, Colorado. The form of "western" square dancing, which they introduced, spread like fire. The 1986 Edition of the National Square Dance Directory reflects the growth of the activity over the last 50 years and includes over 10,000 club listings worldwide. The popularity of square dancing has not only bridged time and national boundaries, but has also broken down social, economic and age barriers.

The updated edition of the Directory includes a "New Dancer" section, which shares much of the heritage and spirit of square dancing with newcomers to the activity. Along with this section, is information on some of the events planned to celebrate the golden anniversary year. Many projects, activities and special dances are being coordinated by the "Spirit of '86" Committee. The goals include informing the general public about square dancing, letting them know how they may join the fun and fellowship and bringing dancers together in the spirit of cooperation and friendship, which is the true basis and attraction of the activity.

The Directory has many features to aid dancers. Directories of festivals, publications, organizations, callers and leaders are among the many informative sections. Details on square, round, contra and clog-

SEWING HINTS By Ruth Henderson

With the months of March and April upon us, our thoughts do indeed turn to Spring. I would hope if your sewing is of an ambitious nature, you would give some thought to creating a Spring/Summer wardrobe of square dance outfits.

Fabric stores should now be displaying

pastels and prints that would inspire us to leave the winter doldrums behind (square dancers never have these). If you have not been shopping for fabric yet, let's go with a few ideas.

Border Prints - there have been many of these available at stores and by vendors at conventions, which can be made into very attractive dresses. The skirt can be just about ready-made, with the border doing all that is necessary. The skirt can be full, by cutting it 4 yards around, then taking it in every 3 inches at the waist, and with $\frac{3}{4}$ " deep darts (gathered), you can eliminate the bulk at the waistline. The bodice and sleeves can be of a solid or small print to match the upper part, and with a bit of creativity, you can use the balance of the border material as trim for the neck and sleeve edges.

Combination Ideas - pick a coordinating solid and print, use the solid color for the bodice and sleeves and the print for the skirt. Make a sailor or shawl collar with the print, and add a band of trim around the sleeves and at the bodice.

Striped Fabrics - these can be designed several ways. The skirt can be cut on

a diagonal to give a "V" effect, or it can be straight up and down with a long piece of material running horizontally around the skirt (about 4 inches up from the hemline). The horizontal effect can be used at the waist and on the sleeve edges, if you prefer.

Colorful Prints - tiered skirts, bias skirts with ruffles or just a full gathered skirt all look nice and present a feminine look. For the bodice, you may want to browse through pattern books and find an attractive, becoming top from a regular dress pattern and use that. Make sure it will be comfortable to move and dance in.

Hopefully, these ideas will inspire you to shop and sew, and make dressing the part for square dancing as much fun as the activity.

LEGACY NEWS RELEASE

The word "turkey" conjures up different pictures, in different situations, and with different people. Most of us, in this country, probably envision a fat bird, roasted to a golden brown and full of delicious stuffing, sitting on a table surrounded by all sorts of good things to eat. Around the table are family and friends, and it's a time to remember how much we have to be thankful for.

Sometimes when a play or other presentation is a flop, it is referred to as a "turkey". When one breaks a bad habit, such as smoking, on his own by just suddenly quitting, we say, "He quit cold turkey". And the bird's name sometimes is taken in vain by some who refer to one they dislike as a "turkey". Some years ago, a very popular dance of the day was the "turkey-trot" - perhaps named after the ungainly gait of the bird. Is it any wonder that there once was a move afoot to name the turkey our national bird? After all, who ever heard of an "eagle-trot"?

Ballroom dancing certainly has undergone many changes since the days of the "turkey trot". And square dancing has undergone many changes in choreography, from the simple visiting couples routines of the 1930's and '40's to the complex choreography of today.

However, the friendliness and pleasure of moving to the music in square dancing have provided a firm base, a constant, for the activity over these many years. Some feel we are in danger of losing that golden thread, that there is a lack of courtesy, too much rough dancing, and a snobbishness built on "levels" of dancing. Let us hope they are wrong. We can afford to give up some choreography, if necessary, without affecting square dancing a great deal, but we cannot afford to give up the friendliness and moving to the music.

We owe a great vote of thanks to the early pioneers of square dancing for establishing the spirit that has served the activity so well, for so long. It is appropriate that we tip our sombreros to them. Also appropriate is giving thanks for life in a free society where we can dance almost any night of the week in schools, churches, recreation centers, granges and all sorts of other places without fear that some "big brother" may be watching.

LEGACY SURVEY OF DANCER COMMENTS

Now that fall square dance classes are well along, and those beginner dancers, who are in it for the long pull have been identified, it might be a good time to measure our teaching efforts against the yardstick of dancer comments on the Legacy survey.

Dancers have consistently told us that beginners are being taught (or exposed) to too much, too fast, that a large number of spring graduates are not prepared to dance in their clubs and that there is too much rough and discourteous dancing. All of these things are correctible in a class which is of sufficient length and is well-taught.

Both callers/teachers and club officers should realize that a well-taught dancer is more apt, than a poorly-taught dancer, to find success and pleasure in the square dance world, and, therefore, is apt to be a longer term dancer. It is, indeed, short-sighted of callers/teachers to

graduate dancers who are almost certain to become confused, frustrated and drop out of square dancing. It is equally shortsighted for club officers to insist upon a hurry-up course of instruction and early graduation just to increase the size of a club and its treasury. What all teachers and club officers should be promoting in classes is the development of happy, long term dancers who will be contributing to the club for many years.

Legacy encourages all caller/teachers and club officers to teach not only the basic steps and maneuvers of square dancing, but also to take time to teach the beginning dancer proper styling, proper dress, courtesies of square dancing, history and heritage, club responsibilities and the other important, non-choreographic subjects which contribute so much to the pleasure and friendliness of square dancing.

35TH NATIONAL CONVENTION

and fifteen days later, the total rose to 15,341. I don't think this committee is going to be able to get out of the fast lane until after June, 1986.

Once a month, the 35th National Square Dance Convention Board of Directors meet, and it is pleasing to see all the plans taking shape and coming together just to make sure you, the dancer, have the best time you have ever experienced in square dancing.

Plan to take time out to visit our "Show Case of Ideas", which will be held in the beautiful White River Ballroom, centrally located in the convention center facilities. There will be over 100 tables on display in the approximate 7,000 square foot room. Now, is the the time to reserve a table in this beautiful appointed room for your organization, by writing to: Jim & Becky Long, 328 Indiana Avenue, Sullivan, IN 47882.

We have made arrangements with a bus company to provide several convention routes serving all areas of the city. You may purchase a ticket either at the convention center (near the registration booth), at any Holiday Inn or by mailing in a self-addressed envelope.

RIDE FOR \$9

Unlimited air-conditioned shuttle bus service will be provided from the Indianapolis area hotels and motels to the Convention Center for only \$9.00, during the 35th National Square Dance convention.

This ticket will provide rides any time on the shuttle bus for all three days of the convention (June 26-28, 1986). The service will be in operation each day from 8:00 AM til 1:30 AM.

The tickets will be on sale at the Convention Center during the convention, and may also be purchased at any Holiday Inn in Indianapolis during the convention. The shuttle bus tickets will not be good for rides on regular Indianapolis buses.

Advance shuttle bus tickets may be obtained by writing Director of Hotel/Motel Transportation, Denzel H. Byram, 2408 Allison Ave., Speedway, Indiana 46224. Checks should be made payable to: 35th National Square Dance Convention.

The deadline for ordering by mail is May 31, 1986.

CALLERLAB MAINSTREAM QUARTERLY SELECTION

Daryl Clendenin, Chairman of the Callerlab Mainstream Quarterly Selection Committee, is pleased to announce that "Scoot Cross And Turn" is the Mainstream Quarterly Selection for the period beginning January 1, 1986.

SCOOT CROSS AND TURN

By Johnny Wykoff

Starting Formation: Box Circulate Foursome or Parellel Ocean Waves with boys facing in. From right hand box, with the boys facing in and the girls facing out, All Scoot Back, Girls then pull by with right hands extending the left to the boys who reach back and to the right for a courtesy Turn. (Ends in Facing Lines if started in parellel waves, or ends in an Eight Chain Thru if started from columns).
Timing: 10 - 12 beats of music.

Singing Call Figure: Heads Square Thru, Dosado, Touch $\frac{1}{4}$, Scoot Cross And Turn, Pass The Ocean, Recycle, Swing The Corner, Promenade.

Useful modules from Eight Chain

Thru (Box 1-4): 1) Touch $\frac{1}{4}$, Scoot Cross And Turn, Flutterwheel, Slide Thru, equals zero; 2) Right and Left Thru, Touch $\frac{1}{4}$, Scoot Cross And Turn, and $\frac{1}{4}$ more, equals Swing Thru and the Boys Run; 3) Right and Left Thru, Touch $\frac{1}{4}$, Scoot Cross And Turn, Flutterwheel, equals Star Thru.

Typical Figure: Heads Square Thru, Touch $\frac{1}{4}$, Scoot Cross And Turn, Courtesy Turn and $\frac{1}{4}$ more, Ladies Trade, Bend The Line, Star Thru, Pass To The Center, Square Thru $\frac{3}{4}$, Allemande. (Reminder: Ladies Trade & Bend The Line are choreographically the same as Chain Down The Line).

Comments: Certainly the most popular position for dancer execution will be: From an Eight Chain Thru formation, Touch $\frac{1}{4}$, Scoot Cross and Turn. From this particular position, the courtesy turn is basically the same as in any Right and Left Thru. (Since the Callerlab membership has reaffirmed that a courtesy turn should only be executed when a boy turns a girl, the Box Circulate Foursome with boys facing in is the only allowable formation in the Mainstream Program). Doing a Scoot Cross and Turn from Right Hand Columns would seem to be a little more congested for the Courtesy Turn. The movement is quickly taught, and easily handled by Mainstream dancers.

Current Mainstream Quarterly Selections are: "Chain Down The Line", "Spin The Net" and "Scoot Cross and Turn".

CALLERLAB PLUS QUARTERLY SELECTION

Gene Trimmer, Chairman of the Callerlab Plus Quarterly Selection Committee, announced that his committee voted to have "No New Movements" for the period beginning February 1, 1986.

Current Plus Quarterly Selections are: "Spin Chain", "Exchange The Gears" and "Coordinate The Gears".

CALLERLAB ADVANCED QUARTERLY SELECTION

John Marshall, Chairman of the Callerlab Advanced Quarterly Selection Committee, announced that the AQS Committee has selected "Shuttle", written by Kip Garvey, as the newest selection for the quarter beginning December 1, 1985.

SHUTTLE

By Kip Garvey

Definition: From an Eight Chain Thru Formation, all Pass Thru. New centers Slide Thru, while new outsides take a directional command of right, left, in or out.

Dance Examples: Patter - Heads Square Thru, Shuttle In, Pass Thru, Wheel and Deal, Girls Pass Thru, Shuttle Right, Bend the Line, $\frac{1}{2}$ Square Thru, Right & Left Grand. Singer - Heads Right & Left Thru, Square Thru, Dosado, Shuttle Out, Ends Fold, Double Pass Thru, Track II, Swing, Promenade.

The AQS Committee has voted to keep
